April - 2023

New Beginning!

Children, Haroms

We are all Children
of the same Divine Father,
The Lord.

He loves us always
as much as all the love of
all fathers put-together.

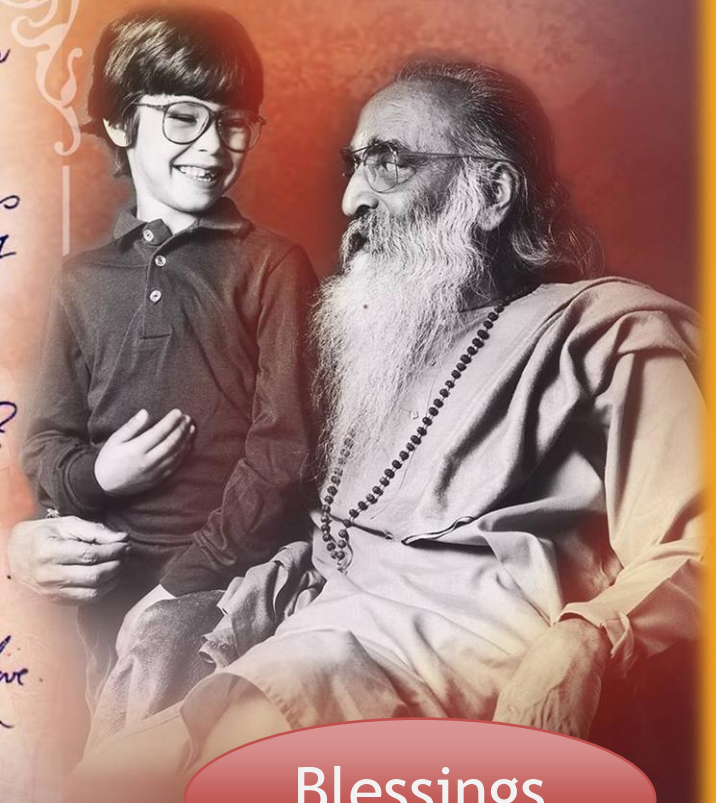

But —
Do we love Him?

Do you?

I know you do.

You are Chinnmanga
Balaraman Child! dar dar.

Soorya

Blessings

**“Education is the
passport to the
future, for tomorrow
belongs to those who
prepare for it today.”**

From Principal In-Charge's Desk

My greetings to all on the commencement of the new session 2023-24.

Congratulations to the high flyers and motivation to those who are striving on the path to success.

As we take up the noble task of educating the children who come to us, we are all braced with new zeal and enthusiasm to welcome every student to the fruitful and exciting journey of learning. Our motto in this session would be "No child is left behind."

The session that passed by gave us new understanding, learning, analysis, and observation about our children. Taking into consideration all that we have gathered about our students, we intend to give every student the platform to excel in the field they want. With the dawn of the National Education Policy and the digital revolution in the field of education, everyone has found space to grow and actualize their full potential. The new epoch that we are going to step into has immense possibilities for the students to learn and grow. We wish to take the advantage of this and facilitate the students to make the most of it.

As education is making a paradigm shift in the way it is imparted, it has brought out drastic changes in the ideologies, pedagogies, methodologies and thinking patterns of every stakeholder of educational institutes. Everyone seems to be rushing to match the dynamic global standards. We should not be surprised if this digital transformation has changed the preferences of students. On one hand, they are aware of artificial intelligence, machine learning, AR and VR due to the advent of gaming and automation while on the other hand, subsequent stressors have also made them understand mental health and well-being. Understanding this paradigm in the education pattern and students' aspirations, we are putting every effort to incorporate the new trends of the education by making a provision for students-centric methodologies, hybrid learning options and mental well-being. We are committed to providing learning to the students which focuses on multidisciplinary learning programs, soft skills training and hands-on practice along with value-based education that can help them think analytically, critically and innovatively keeping in mind the world scenario they are going to inherit once they cross the thresholds of the school.

With the hope of a stimulating educational session for every collaborator with us, I wish everyone good luck. Let us be always prompt in helping, supporting and cooperating with each other for a fulfilling session ahead.

Regards

Narendra Singh

Message From Chief Editor

E-magazines or journals of any institute serve as a mouthpiece for that institute. Similarly, our E-magazine is a medium to connect with our stakeholders at large. These digital magazines which will be a monthly affair will put forward the expressions of the students on different topics and showcase the activities and achievements of the school from time to time. We expect cooperation from every stakeholder for the success of this initiative and are thankful to everyone who is directly and indirectly associated with the publication of the magazine. Special acknowledgment to the efforts of the students as they will play a pivotal role in the creation of the magazine content every month.

The E-magazine issue of the month of April puts forth the overview of the session passed by and lays the ground for what more is to be done in the new session. The session that went by was eventful and exciting as it was full of activities and visits of Board of Management members to provide guidance for the development of the school as well as the teachers.

The session can be said to be eventful as it not only opened the avenues for many activities but also provided a platform to the students after a hiatus of two years, to explore beyond the school boundaries and participate in external events, especially in sports. One of the students excelled at the regional level in sports, many students brought laurels in the field of art and a student of class X performed exemplary in CBSE regional level Math challenge. All these are the highlights of this issue.

We begin the new session with new hopes and aspirations to scale new heights and broaden the horizon of our outlook. Learning from our omissions and commissions, we gear up to take on the academic task of the new session with more interesting and novel ideas.

Happy browsing

Manju Rawat

APERIO- THE MONTH OF APRIL

April month is named after the Latin word called Aperio meaning 'to open.'

Going by this concept, April is the ideal month to open/start a new session. Nothing can beat the ideal atmosphere that marks the opening, the beginning of the new season that is..... , the onset of summer, a time to reap the harvest and revel at the beginning of the new year as per the Hindu calendar.

The month of April has national and international significance in a number of ways. The month, in its bosom, holds days of various important events and cultural practices. Festivals of all faiths fall in this magnificent month starting from Chaitra Navratri to Baisakhi, Id, Good Friday, and Easter. A complete month devoted to all the faiths can hence; invite the envy of all other months.

The month has literary as well as political significance. In this month the father of the Indian Constitution Dr. B. R. Ambedkar was born and the literary genius- The Bard, Shakespeare was born on April 23.

Some other important lesser-known national and international days are as follows:

- 1 April - Odisha Foundation Day
- 2 April - World Autism Awareness Day
- 5 April- National Maritime Day
- 6 April - International Day of Sports for Development and Peace
- 6 April- Hanuman Jayanti
- 7 April- World Health Day
- 10 April - World Homoeopathy Day (WHD) , World Siblings Day
- 18 April- World Heritage Day
- 22 April- World Earth Day
- 23 April - World Book and Copyright Day, English Language Day
- 24 April - National Panchayati Raj Day
- 26 April - World Intellectual Property Day
- 29 April - International Dance Day
- 30 April- Ayushman Bharat Diwas

So all the above-mentioned days make April important from the religious, cultural and political point of view.

Let us embrace the opening, the beginning in all its vibrancies to have a fabulous month ahead.

In the session 2022-23, students of the Vidyalaya excelled in different fields bringing laurels to the school and their parents. The school takes pride in acknowledging their achievements and congratulates them and their parents/guardians. Their mentors' efforts will continue in training and motivating them for higher achievements.

The students have distinguished themselves in the field of Art, Sports and Competitive Exams conducted by SOF (Science Olympiad Foundation) at the international-level in English, Science, Math, and Social Science subjects.

The following students qualified for the second level in IEO, NSO and IMO.

S. No.	Name of students	Class	Subject
1	Yashveer Singh Tomar	VII	IEO
2	Amolika Singh	X	IEO
3	Archit Singh	X	IEO
4	Anshul Yadav	VI	NSO
5	Vivan Jatav Gautam	VII	NSO
6	Utkarsh Mishra	VIII	NSO
7	Praneesh	IX	NSO
8	Shubhi Gupta	IX	NSO
9	Aniket Pal	X	NSO
10	Md. Ausaf	XII	NSO
11	Saatvik Sehgal	IV	IMO
12	Evan Gupta	VI	IMO
13	Vivan Jatav Gautam	VII	IMO
14	Vedant Agrahari	VIII	IMO
15	Praneesh	IX	IMO
16	Aniket Pal	X	IMO

Aniket Pal of class X A has been awarded with Certificate of Zonal Excellence for securing 24th rank at Zonal Level in National Science Olympiad.

CBSE CLUSTER MEET

In sports, Aditi Tripathi of class VIII won the silver medal in shot-put at CBSE cluster-IV held at Etawah. It was a regional level tournament. She qualified to participate at National CBSE Athletics Meet 2023.

BEE Painting Competition- Ishna Rastogi of class IX C and Pranav of class IX B won a cash prize of Rs. 7500 at the state-level painting competition organized by the Bureau of Energy Efficiency, Government of India.

International Art Competition- 41 students from the school participated in the International Art Competition organized by Charu Castley Foundation, Delhi with the support of the Government of Uttar Pradesh. Following students bagged gold medal:

S.No.	Name of students	Class
1.	Medhavi Gupta	V
2.	Devansh Pandey	IX
3.	Shubhi Gupta	IX
4.	Shauryavi Singh	IX
5.	Anshika Yadav	IX
6.	Mahak Jaiswal	XI
7.	Rudransh Pratap Singh	XI
8.	Samriddhi	XI
9.	Oshiya	XI

The students were awarded a gold medal and certificate of merit by the organization. Their mentor Mr. Mantosh Yadav was also felicitated with an appreciation certificate for his commendable effort with the students.

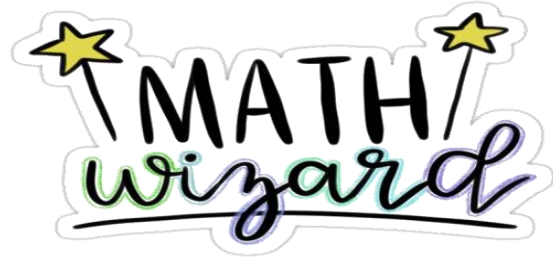

Inter-School Energy Conservation Painting Competition- An Inter-School Energy Conservation competition was organized by NTPC in which two of our students, Anvesha Bhalla and Zoha of class V-B bagged first and second prize respectively.

Ms. Zoha

Ms. Anvesha Bhalla

Diksha Shukla, a student of Class X A received a certificate of merit for being placed among the top one hundred students in Prayagraj region of CBSE in the Aryabhata Ganit Challenge 2022 organized by CBSE.

Ms. Diksha Shukla

Master Agam Sahu

Ms. Shubhi Gupta

The competition was conducted in two levels- the school level and the national level.

At the school level, three students, Shubhi Gupta of class IX C, Agam Sahu and Diksha Shukla of class XA qualified to participate in the second round which was conducted online by CBSE at the national level. In the final round, Diksha was able to secure a position among top one hundred students in Prayagraj region.

The school congratulates all the students for their praiseworthy performance.

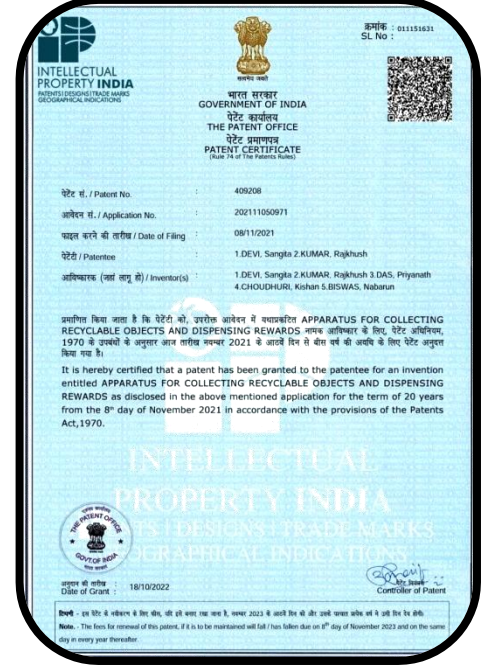

ALUMNI

ASSOCIATED FOR LIFE

Alumni of any institute are an asset to the institute because they act as ambassadors of goodwill for that institute. Our Vidyalaya, over 25 years of its establishment has produced noted alumni in various fields ranging from technocrats to bureaucrats. The school takes pride in acknowledging the achievements of its two alumni in the year 2022.

Ms. Aliya Bano, an alumna of the **2014** batch qualified UPSC Exam in 2021 and got recruited as a Scientist in Central Ground Water Board under the Ministry of Water Resources in June 2022 and **Mr. Rajkhush Kumar** an alumnus of the **2019** batch availed credit in the year 2022. He got a patent for inventing Apparatus for Collecting Recyclable Objects And Dispensing Rewards.

Graduation Ceremony: Ending for New Beginning

The toddlers of class prep and tweenies of class V exulted on the day of the Graduation Ceremony, when they celebrated the completion of Kindergarten and Primary Education classes respectively.

The Ceremony was organized by the Pre-Primary and Primary sections, for the students of classes Prep and V. Lively cultural programme, ramp walk, and putting on the graduation cap..... all seemed to be fun-filled and exciting for the students who attended the school dressed in their best attires, beaming with confidence. The excitement reached a fever pitch when Kiddy Chinmaya, Master Chinmaya and Miss Chinmaya were announced. From class V, Master Rohan Raj Sahu and Ananya Yadav of class VB were declared Master and Miss Chinmaya respectively. The title of Kiddy Chinmaya was jointly awarded to Sanvi Tripathi and Samriddhi of class Prep.

My Graduation Ceremony Experience: Anvesha Bhalla V B

Our school has taken a great initiative to organize a Graduation Ceremony for the students of classes Prep and V. It was a memorable moment for me to be a part of this event. I really enjoyed this program and felt proud. I was honoured by a graduation cap followed by catwalk and dance program. I am very grateful to my school management for giving me a great opportunity to be a part of this Graduation Ceremony.

MOVING FORWARD IN 2023 WITH BLESSINGS FROM SWAMI PRAKARSHANANDAJI

"Just as a candle cannot burn without fire, man cannot live without a spiritual life," said Buddha.

As it is obvious from the above quote, humans need spiritual experiences to live life artfully. The hallmark of our Vidyalaya lies in value-based education and providing spiritual experiences to the stakeholders. The school is fortunate to associate with the seers for spiritual interaction and solace as it is a Chinmaya Mission school. This session we were blessed as Swami Prakarshanandaji, Head, Chinmaya Mission, Delhi visited the school in the month of January to bless all of us on Saraswati Puja and celebrate Republic Day.

Swamiji blessed the students of classes X and XII in the Ashirwaad Ceremony held on the day of Saraswati Puja. There couldn't be any other better day to enlighten the teachers, students and parents than the day of Saraswati Puja dedicated to the goddess of learning. On 24 January in the session conducted by Swamiji, he imparted ten principles to the teachers to remain happy. In the session for parents, Pujya Swamiji gave guidance on parenting and how to deal with children in this fast-changing world dominated by tech influx.

Republic Day

In a first of its kind, this year Republic Day fervour was felt in the auspicious company of Pujya Swamiji. The day was celebrated with a feeling of patriotism and pride. Sports champions selected on the basis of their performance at Sports Meet in under-9, under-12, under-14 and under-19 categories were felicitated by Swamiji.

Everyone felt blessed in the spiritual aura of Swamiji from 24 January to 26 January 2023.

With the blessings of the Almighty and Pujya Swamiji, we continue our journey to the new session. May the grace of His blessings always be on us.

SAY NO TO WAR: VICTORY WITH NO SURVIVORS

War is a destructive and catastrophic experience for humankind that causes great suffering to individuals, communities and the entire nation. It inflicts enormous physical and psychological damage, driving people from their homes, disrupting economic activity and killing countless lives. In addition, war leads to long-term political instability and social unrest. Pablo Neruda rightly quoted wars as "**Victory with no survivors.**" This line sums up the disaster of war.

In a world where nations are often at odds with each other, there is a need to promote peace and dialogue rather than resort to violence and war. All nations must strive to find non-violent solutions to conflicts through diplomacy, negotiation and other peaceful means. It takes openness, empathy and a willingness to listen to different points of view.

Furthermore, countries should recognize the human loss due to war and the trauma it inflicts on individuals and communities. Instead of glorifying war and violence, rulers need to educate present and future generations about the realities of war, its impact on society, and the need to avoid war at all costs, unlike the situation in Ukraine and Russia.

Strategies of peace, diplomacy and non-violent conflict resolution should be prioritized over military action. Let's work to create a world where our differences are resolved peacefully, and work together to create a better and more harmonious future for all. After all, peace has its own virtues and benefits. Everyone wants a peaceful world to live in.

Suryam Bajpai XII B

HIGH SCHOOLER

The bell rings, a new day begins,
Of the new session.
Excitement and nerves mix within.
Friends and laughter, lessons to learn again.
This is where our stories
are formed and earned in a new format.

Now is the time again
to walk the halls with heads held high,
With hopes and dreams that touch the sky.
Challenges will come, but we won't break,
For we are the future, our future is at wait.

So let's embrace this time with grace,
And make the most of every space.
For memories are made in these hallowed halls,
And the friendships and knowledge will stand
tall.

Mahak Jaiswal XII B

पेड़ लगाओ

पेड़ लगाओ , पेड़ लगाओ
हरा – भरा जीवन बनाओ ।

छाया ये हमको देते हैं
फल ये हमको देते हैं ।

बाढ से हमको बचाते हैं,
प्रदूषण दूर हटाते हैं ।

हम भी पेड़ लगाएँगे ,
संसार को हरा – भरा बनाएँगे ।

अनन्या मौर्या

कक्षा – षष्ठम् ' अ '

वृक्ष

धरती माँ का रूप सजाते
हरे – भरे मतवाले वृक्ष ।
शीतल मधुर समीर बहाते
होते बड़े निराले वृक्ष ।
फल – फूलों की भेट चढ़ाते
कभी नहीं कुछ लेते वृक्ष ।
मानव सेवा धर्म मानकर
अपना जीवन देते वृक्ष ।
लेकिन मानव दानव बनकर
सारे जंगल काट रहा है ।
वृक्षों का उपकार भूलकर
प्रतिदिन उनको काट रहा है ।
एक समय आएगा जब यह
धरती बंजर हो जाएगी ।
मानव की नादानी बच्चों
मानव को ही खा जाएगी ।
